

Journal of Cystic Fibrosis

The Official Journal of the European Cystic Fibrosis Society

The Official Journal of the European Cystic Fibrosis Society

Description

The Journal of Cystic Fibrosis is the official journal of the European Cystic Fibrosis Society. The journal is devoted to promoting the research and treatment of cystic fibrosis. To this end the journal publishes original scientific articles, editorials, case reports, short communications and other information relevant to cystic fibrosis. The journal also publishes news and articles concerning the activities and policies of the ECFS as well as those of other societies related to the ECFS.

Audience

Pediatricians, pulmonologists, gastroenterologists, internists, microbiologists, pharmacologists, immunologists, psychologists, basic scientists, physiotherapists, dieticians and nurses dealing with the investigation and treatment of cystic fibrosis.
